How can I open a business account?

You can open a small business account at any branch location. Depending on the type of business, a few additional documents will be needed to open the account.

How do I sign my business account up for Digital banking?

To sign up for Digital Banking, you must accept the terms of the Digital Banking Services Agreement and Disclosure. Click on the link to Register a Business or Trust Account. Fill in the blanks for Account Number, Business or Trust Name, SSN/TIN, and Zip Code exactly the way the business or Trust is named. Press submit when complete. You will then be prompted to create a User ID and Password. Then, follow the steps when prompted.

How do I get a loan in my business name?

Once you have an established business account, you can apply for a loan in your business name.

I have more questions, who can assist me?
